

SANTA BARBARA ATHLETIC ASSOCIATION

The SBAA is a long-time running club serving Santa Barbara, Goleta, Montecito, and Carpinteria. (And Summerland and La Conchita, of course.) Membership entitles you discounts at various athletics-related stores around town, as well as a monthly newsletter and a chance to meet mostly fairly nice people with whom to run. Membership costs \$25 a year (\$5 for 18 and under), and to maintain good standing you must volunteer at at least one race or other club function per year. Generally, membership is restricted to people who live in the Santa Barbara area.
